

EGE UNIVERSITY

Tranquil University, High Quality Education, Bright Future

EGE Üniversitesi

"Huzurlu Üniversite, Kaliteli Eğitim, Aydınlik Gelecek"

'Tranquil University, High Quality Education, Bright Future'

Ege University is located in the Bornova district of Izmir, Türkiye's third-largest city, which has a population of approximately 4.3 million. Izmir is a modern and well-developed city that serves as an important center for culture, art, tourism and trade, making it a popular choice for international exchange students.

As one of Türkiye's leading campus universities, EGE University was established in 1955 with the Faculty of Medicine and the Faculty of Agriculture. Ege University has expanded to 19 Faculties, 10 Institutes, 3 Colleges, 1 State Turkish Music Conservatory, 10 Vocational Schools, 6 Departments affiliated to the Rectorate and 36 Application and Research Centers.

Ege University serves as a pivotal hub for education, research, and cultural and social activities in İzmir and the Aegean region, playing a vital role in shaping the future of its community and beyond.

Ege University Community

As of the 2025 – 2026 academic year, Ege University boasts a vibrant community of 56,404 students, supported by a dedicated team of 3,283 teaching staff and 7,070 administrative professionals.

In the 2023 CWTS Leiden Ranking, Ege University is ranked 634th in the world and 5th in Türkiye. Notably, it is recognized for having the second highest number of female authors in the country, highlighting its commitment to gender equality and academic excellence.

Graduation ceremony special to the incoming students of «Presidency for Turks Abroad and Related Communities (YTB)» is regularly performed.

MISSION

As a pioneering and leading research university in Türkiye and worldwide, our mission is to address regional and global needs in research and education.

VISION

Our vision is to become a world university pioneering in scientific research, having a strong cooperation and communication network with its national and international stakeholders, having a student-oriented, green, sustainable, accessible and livable campus, contributing to economic, social and cultural life and having a strong financial structure.

205 model and patent

93 computer labs

159 student labs

37 Application and Research Centers

THE GREENEST AND PAPERLESS DIGITAL OFFICE

Ege University has achieved a total GreenMetric score of 8,150, ranking 108th in the world and 4th in Türkiye.

The contribution of universities to the environment, which switched to the "Paperless Office" concept with the automation realized by the Electronic Document Management System (EDMS), was explained with a special research carried out by enVision under the name of "The Greenest Office". Ege University ranks 2nd among 206 universities across Türkiye in the «Greenest Office» research.

SOCIAL FACILITIES

In the university campus, a library, indoor and outdoor pools, indoor sports salon, spaces of football, basketball, mini-football and tennis courts, an exhibition salon, MÖTBE culture center, a Students' Village dormitory that is highly accessible to the public, cafeterias, students shopping center, hypermarket, guest houses and locales for students and the personnel can be found.

Research-Oriented Student Center (AROM)

Research-Oriented Student Center (AROM), which started its activities within the body of Ege University, with the aim of increasing the awareness of our undergraduate and graduate students in research and scientific thinking, making them comprehend the research processes, and enabling them to gain the skills of preparing/presenting entrepreneurship and research projects.

Student Council

Student Council represents associate and undergraduate students registered at Ege University to protect their rights, to communicate effectively and to meet the expectations and wishes of students and to ensure the participation of students in decisions about education and training.

Dean of Student

The Dean of Students is an administrative unit that supports the personal, cultural and social development of its students, aims to solve their current problems and to create environments where students can spend an efficient, active and quality university life.

INTERNATIONAL RELATIONS OFFICE

Ege University attaches great importance to the development and diversification of global changes in consciousness and international relations. Ege University, which has been successful in this field for many years, has become one of the 20 pilot universities selected under the Council of Higher Education's internationalization strategies. The International Relations Coordinator located in International Relations Office and the office of exchange programs continues to carry out its activities under this coordination (Erasmus, Orhun) of Ege University.
