RE: Erasmus Staff Training

Dear AD SOYAD

At Science Gallery Venice, we are currently preparing activities in the domain of AI and Art and in view of your experience in the field of computer vision, pattern recognition and neural network research, we would be happy to integrate you for training sessions in our activities on this subject on 16 and 17 December 2021. We believe that there would be strong synergies between our planned activities and your background in AI. We look forward to welcoming you in Venice.

Best Regards,

A handwritten signature in blue ink, appearing to read "Karsı Kuru Yetkilisi".
