

ECONOMIST

THE NEWSPAPER OF URAL STATE UNIVERSITY OF ECONOMICS

SPECIAL EDITION FOR APPLICANTS

Welcome to the Ural State University of Economics. Ural State University of Economics (USUE) is a multidisciplinary state university of the Urals Region. For over 55 years, USUE has been contributing to creating the intellectual and educated elite for such industries as economy, management, finance, and commerce. Over the years,

Dear applicants and their parents!

USUE has trained more than 184000 specialists. Today there are more than 15000 students and 600 academic staff.

USUE has been the first university in Ekaterinburg to employ a student rating system, to launch the Virtual Learning Environment and Quality Assurance system. Undergraduate and graduate students' research is an integral part of specialist training at USUE and is one of the University key missions.

Training of foreign students is one of our competitive advantages. Currently

students from 60 countries are studying at USUE. In 2012, USUE opened a branch of the Association of Foreign Students. The University cooperates with more than 136 universities in CIS, Asia, Middle East and Europe. USUE is the center of the Eurasian youth movement.

For 10 years we are organizing the Eurasian Youth Forum which welcomes young people and experts from different parts of Russia and overseas.

In order to fully realize your and sports potential you can make use of various facilities

of University such as our community center, modern sports and health center, best rock-climbing facility in the region and Eurasia fitness-club with its five gyms and updates equipment.

The education received at USUE will help you build excellent professional career and achieve academic and business goals.

YEKATERINBURG

USUE is situated in a city of Yekaterinburg (sometimes spelled as Ekaterinburg), the fourth-largest metropolitan area in Russia. This city, located in the heart of the country where Europe meets Asia, is a home to a number of major Russian mining, manufacturing, IT, financial and service companies and the University has been a main supplier of professionals since its inception. During their studies, students can undertake an internship with leading national and international enterprises, located here. It is also worth mentioning that Ekaterinburg was selected as a host city for 2018 FIFA World Cup due to its world-class infrastructure and vibrant cultural. Nevertheless, life here is affordable for international students. We recommend having at least 300 USD for covering monthly expenses.

INTERNATIONAL STUDENT ASSOCIATION

USUE is a full-time member of regional and international associations and unions:

- Eurasian Economy Scientist Club
- European Retail Association
- EURHODIP
- CEEMAN
- UN Academic Impact
- CN CEPLA
- International HEI Network
- DUKENET
- Regional office of International Student Association
- CSTO University League
- Eurasian University Association
