

Dear Partners,

With the newly announced YÖK Academic Career-Liyakat (Merit) Platform, Turkish or foreign nationals who want to take part in the Turkish higher education system and who have successfully completed their doctorate, and universities looking for faculty members in line with their strategic goals will be brought together on a digital platform.

With this web platform, it is aimed at reaching foreign academics, researchers, and scientists who would like to work at universities in Turkey. Those who are interested in applying for academic jobs at Turkish universities may leave their interests with their CVs on this platform. Universities in Turkey having open positions for foreign faculty have access to this platform. They constantly check this webpage and contact with those having regarding qualifications.
