

Transportation and Cost of Living

Transportation

Ege University Campus, which was established in Bornova, at the junction where Izmir-Ankara-Istanbul highways meet, is 15 km away from the city center. It can be reached in an average of 20 minutes by using various mass transportation vehicles such as metro, bus and minibus. The transportation is provided fastly and safely with the metro, which has been operating on the F.Altay-Evka 3 line since 2000. From Halkapınar station in this metro line It is possible to reach Izban metro line and the other suburban lines. In İzmir, there are also various city tramway lines.

Arriving in IZMIR

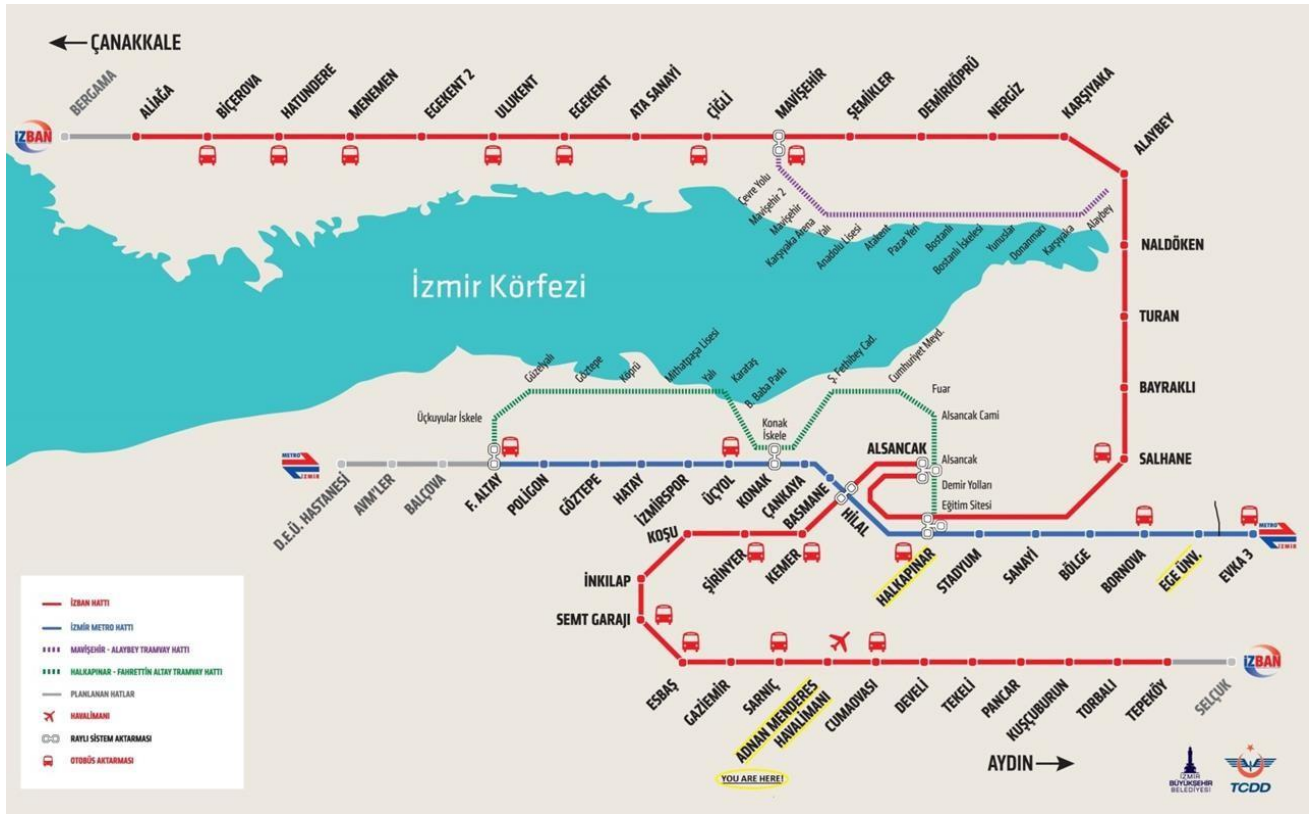

By Taxi: Arriving in Bornova by taking a taxi from the airport(approx. 50 min.).

By Bus: Alternatively, you can buy “İZMİRİM KART” and fill some credit in it so you can take the bus number 204. The final destination of the bus number 204 is Bornova Metro Station, from there you can take the metro for the Ege University station which is next station or you can reach to the Campus or to the Student Village by walking 5-10 minutes.

By Rail: You can take IZBAN (İzmir Banliyö Treni / İzmir Suburb Train) from Adnan Menderes Airport to Aliğa Direction, then you get off in Halkapınar station where you transfer to İzmir Metro, please take the line Evka-3 that will take you to Ege University Campus or Bornova.

From Bornova Metro Station, it is quite easy to walk to International Relations Office in Ege University Rectorate. It takes around 15 minutes on foot.
